

STORIES

We are pleased to have you join us for an evening of fine dining inspired by tales and great stories. Each dish on the menu reflects a beloved tale, inviting you to experience the magic of story telling through food.

Alice in Wonderland - "I can't go back to yesterday because I was a different person then."

Sleeping Beauty - "You poor, simple fools. Thinking you could defeat me. Me! The mistress of all evil!"

The Royal Ram - "No curse, no trial, no sorceress shall keep me from the one I love. Even in your darkest form, I see the light of your heart."

The Secret Garden - "If you look the right way you can see the whole world is a garden."
